Additional Lodge Lore

Odd Fellows
At the recent semi-annual election of officers of Phoenix Lodge No. 2, Independent Order of Odd Fellows, the following named were chosen to serve the lodge during the next six months: John J. Baker, noble grand; H. B. Griffin, vice grand; P. L. Kidd, treasurer; N. A. Morford, secretary. These officers together with the appointive officers will be inducted into office on the evening of July 2, the regular meeting night of the lodge.

On Sunday June 8, the lodge held its annual memorial service in honor of all dead members and particularly those who have passed away during the last year, which are three in number. The regular ritualistic service of the lodge was held supervised by an interesting address by Hubert W. Clark, a local attorney and member of the lodge. A solo was also effectively sung by Dr. F. M. Brown.

The lodge is enjoying signal prosperity, new members being received at almost every meeting. Though the weather is warm the hall is kept quite comfortable by the use of electric fans. Visiting members are always heartily welcomed and will find the hall in the third floor of the Monahan block corner First Ave. and Washington street.

Knights of Pythias
The hot weather does not seem to affect the attendance at our meetings. Last Friday night fifty-two knights were present, to assist in conferring the rank of Esquire upon Pikes Sordage and Lovett. The work was handled in a creditable manner by the team and everybody present enjoyed the work.

Lee Donn was elected to become a member of the Knights of Pythias by initiation, he will take the work beginning with our next class.

The Pythian Home Committee reported favorable progress and were granted an extra week extension of time.

The matter of only having one meeting night a month after July 1 until the hot weather is over was taken up and discussed and the Brothers were unanimous in their decision to hold our regular meetings throughout the summer months.

Installation of officers will be held on our first meeting night in July. Owing to the weather we will have a closed installation.

The application of Harry Walters was received and given its first reading.

The rank of Knight will be conferred upon two candidates next Friday evening. A number of committees are to report on various important matters and a large attendance is expected. During the heated term the refreshment committee will serve ice cream and other cool refreshments after the meetings. Several visiting brothers were present at our last meeting and made some very interesting talks along the line of Pythianism which was fully appreciated by all present. Phoenix Lodge No. 2 is always glad to have visitors from other lodges and endeavor to make them feel welcome at all times. As usual Knight Harry Hancock came in and announced ice cream was ready in the banquet room. The lodge adjourned and participated in refreshments.

Pythian Sisters
One of the most interesting meetings of the season was held at a special meeting Monday afternoon when the Pythian Sisters had the pleasure of entertaining the Grand Chief of Arizona, Fannie Harrington, of Bisbee, Arizona. The G. C. C's time being limited the members of Butte Temple No. 15 of Tempe were ever and assisted in the initiation and entertainment. The G. C. C. made a very interesting speech—describing her visits at the northern temple. Sister Dickerson of Tempe also made some remarks after which all were invited to the ice cream parlor.

MOTORCYCLE POLITICAL ALLY.
Helps Elect Little Falls Man to County Clerkship.

William Quackenbush of Little Falls, gives his motorcycle most of the credit for his election as county clerk of Herkimer county. Of course Quackenbush's own personality really won the friendship of the voters, but without his motorcycle it would have been impossible for him to come into personal contact with these men.

Mr. Quackenbush decided that he was fitted for the position of county clerk and believed that if he could make a personal canvass of the district, he could convince the voters of this fact. However, the roads of Herkimer county were not suitable for automobile traveling, besides he could not afford an automobile. Time was limited, and he knew he could not begin to cover the territory with a horse and buggy.

Someone suggested that he use a motorcycle. He had never ridden one, but the operation seemed simple, so he decided in favor of the two-wheeler. He found no difficulty in learning to manage the machine, and on it visited

thousands of voters of the county, becoming personally acquainted with them and winning their support.
